

Product Description: soliSZ

N-P-K-S Code: 16-18-0-8-Zn0.5

N: 16.00%	P: 18.08%	K:	S: 8.00%	Zn: 0.50%	
<u>Nitrogen (N)</u>	<u>Phosphorous (P)</u>	<u>Potassium (K)</u>	<u>Sulphur (S)</u>		
N as Ammonia 16.00% N as Nitrate N as Urea	P as water soluble 16.07% P as citrate soluble 1.98% P available 18.05% P as Citrate insoluble 0.03%	K as Chloride K as Sulphate K as organic	S as Sulphate 3.56% S as Elemental 4.44%		
IMPURITIES					
Fluorine (F)	1.50	% (max)	Lead (Pb)	10.00	mg/kg (Max)
	82.96	g/kg P			
Cadmium (Cd)	1.00	mg/Kg (max)	Mercury (Hg)	1.00	Mg/kg (Max)
	11.06	mg/kg P			

Warning Statements

This product contains heavy metal impurities. Its use may result in accumulation of cadmium, lead and mercury in the soil. Depending on soil characteristics, irrigation water quality, plant species and variety, crop uptake of cadmium may lead to residue levels in plant and animal products in excess of the maximum level specified by the Australia New Zealand Food Standards Code. In pasture, the offal from grazing animals may also exceed these limits.

This product contains fluorine as an impurity. Do not feed this product to livestock or use in stock feed mixtures. If top dressing pastures do not graze for 3 weeks or until rain or irrigation is received.

Directions for Use

Granulated diammonium phosphate fertiliser. Mainly used at planting in grain, horticultural and forage crops, and also for top-dressing dairy pasture. This product is not suitable as a stockfeed supplement or for application in solution, i.e. dissolved in irrigation water, water injection equipment or as a foliar spray. Because climatic and soil conditions, application methods, irrigation, agricultural and grazing management practices are beyond the control of Wengfu Australia Pty Ltd and cannot be foreseen, Wengfu Australia Pty Ltd accepts no responsibility whatsoever for any commercial damage, loss or other result following the use of this product whether used with directions or not, subject to any overriding statutory provision and provided such liability under those provisions shall be limited to the replacement of the goods as supplied or rendering again the services that are provided. The buyer accepts and uses this product subject to these conditions.

Safety Directions

This product contains dust. Do not swallow. The dust from this product may act as an irritant. Avoid inhalation with eyes and skin.

Storage

Store in a cool, dry, well ventilated area, removed from oxidising agents and foodstuffs. Do not store in silos.

Care of Equipment

This product can be corrosive to metals. Clean equipment after use and follow manufacturers maintenance advice.

Safety Data Sheet

An SDS for this product is available on request and on our website (www.wengfaustralia.com).
